

Alessandro Gorla

Date of birth: 05/12/2001 | **Nationality:** Italian | **Gender:** Male | **Phone number:** (+39) 3663403853 (Mobile) | **Email address:** agorla@live.com | **Website:** https://alessandrogorla.github.io | **LinkedIn:** www.linkedin.com/in/alessandro-gorla-5480ba141

ABOUT ME

Recently graduated in Mechanical Engineering – Mechatronics and Robotics from Politecnico di Milano in July 2026, with honours (110/110 cum laude). I am a curious, proactive, and motivated person with a strong interest in innovation and emerging technologies. I am eager to pursue a career in robotics, computer vision, Generative AI for robotics, and industrial automation, combining my multidisciplinary engineering background with a hands-on, problem-solving mindset. I am keen to contribute to the development of intelligent robotic systems and innovative technological solutions while continuously expanding my skills.

EDUCATION AND TRAINING

09/2023 – 07/2026 Milan, Italy
M.SC. MECHANICAL ENGINEERING (MECHATRONICS AND ROBOTICS) Politecnico di Milano

Specialized in mechatronic and robotic systems, with coursework in industrial robotics, machine learning for mechanical systems, feedback control, system dynamics, data analysis, experimental characterization, and electrical drives. Acquired knowledge in robotic system design, control strategies, data-driven modelling, and intelligent automation.
Master's thesis: Developed a vision-based human–robot co-manipulation framework integrating human pose estimation, Diffusion Policy for motion prediction, and impedance–admittance control for collaborative robotic tasks.

Final grade 110 Cum Laude | **Level in EQF** EQF level 7

08/2024 – 01/2025 Aarhus, Denmark
ERASMUS+ EXCHANGE PROGRAMME Aarhus University

International study experience focused on Mechatronics, Robotics, Sustainable Product Development, Sensing and Sensor Technology, and Data Science. Strengthened technical knowledge, intercultural communication, adaptability, and the ability to work in an international academic environment.

09/2020 – 09/2023 Milan, Italy
BACHELOR MECHANICAL ENGINEERING Politecnico di Milano

Final grade 97/110 | **Level in EQF** EQF level 6

WORK EXPERIENCE

STEM TUTOR – PART-TIME STUDENT JOB – 09/2020 – 07/2026 – CANTÙ, ITALY

Provided academic support to students in STEM subjects alongside my university studies, developing communication, problem-solving, and organizational skills.

SKILLS

Robotics and Automation | Artificial Intelligence and Machine Learning | Computer Vision and Sensor Integration | Control Systems and Mechatronics | Mechanical Design and Engineering | Project Management techniques | Modelling, Simulation and Experimental Validation | Python | C++ | MATLAB | Linux | Git | ROS | perform scientific research | human-robot collaboration

LANGUAGE SKILLS

Mother tongue(s): **ITALIAN**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	C1
GREEK	B2	A2	B2	B2	A1

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
SPANISH	A2	A2	A2	A2	A2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user
